BULLETIN

We need YOUR HELP to get back to Panamá!

URGENT

For this, our deputation-ending edition, we increased circulation. So if you don't normally receive our newsletter but would like to, just let us know. We are trying to get out the word about our urgent need for monthly support to return to Panama.

For you current, faithful supporters, thank you so very much for your investment in prayer and finance to reach and train Panamanian children for Jesus!

Where have we been?

Since June 2001, we've driven 40,000 miles, through 12 states, held 112 services and had 59 appointments with pastors.

Where are we at?

After raising \$1400/month, our monthly pledges are currently at \$6934 of the original \$9937* needed. Cash

budget is about \$17,900 of the original \$47,842* needed (* *both figures are under revision*). We did our best calculation and eliminated three-fourths of our children's schooling and other ministry expenses, but we still lack a minimum amount of \$1700/month.

Where are we going?

We're going back to our third term in Panama to continue in children's ministry. Children under 15 make up one-third of the population. We want to see more "children reaching children" as our national slogan states. We want to continue to develop capable leaders through annual congresses and monthly seminars. We want to see the Guaymí Indian children at the Duíma Latin America Childcare school break the cycle of poverty and achieve their God-given potential. We earnestly desire to be a part of what God is doing to raise up a generation of effective Christian leaders.

How will we get there?

By faith we trust in God's provision through God's people in His Church. If everyone reading this newsletter would pledge just \$5/month, the need would be met—twice! We realize many are already giving generously. Others cannot make a new commitment at this time—we'll look forward to when you can. But we believe that there are many others who can pledge additional support of \$10, \$25, \$50, or more, per month. Kindly let us know your response with the card below.

Galatians 6:9-10

The Message

So let's not allow ourselves to get fatigued doing good. At the right time we will harvest a good crop if we don't give up, or quit. Right now, therefore, every time we get the chance, let us work for the benefit of all, starting with the people closest to us in the community of faith.
